

Rental Services

Full Circle provides affordable, individual and collaborative group spaces for shooting, editing, and producing work.

B&W Darkroom Rental - \$12/hr or \$60/day

Our private B&W darkroom is equipped with an Ilfospeed Multigrade 500H and a Beseler 45 MXII for enlarging films from 35mm to 4x5 in. In addition, the B&W darkroom has an Ilfolab MG2650 automated print processor for high volume RC printing. Standard chemistry provided.

Color Darkroom Rental - \$15/hr or \$75/day

Our color lab and three private darkrooms are well stocked with professional grade equipment including Super Chromega D enlargers for printing 35mm to 4x5in negatives. Our Kreonite ProMate II color processor will print images up to 30" wide.

Digital Studio - \$20/hr plus \$1/ml of ink usage

Our Digital Studio is equipped with Mac stations for editing with adobe software, a flat bed scanner, and use of our Epson 7800 & 3880 printers.

Imacon X5 Virtual Drum Scanner - \$50/hr

Premium scanning for 35mm to 4x5 film

Portrait Studio - \$25/hr

Our portrait studio is a 300 Sq Ft space with incredible north facing, natural light. Lighting options are available.
